

Non - Slip

Addcrete Non – Slip granules is an easy to use product that creates durable slip-resistant surfaces around the home and workplace. The special formulation provides uniform coverage and is easy to apply to any interior/exterior concrete surface. The tough, dried finish resists slipping, cracking and peeling and exposure to petrol, oil and mild chemicals (sealer dependant). Non-slip is ideal for stairs, ramps, driveways, patios, pergolas, walkways and pool decks.

Advantages

- Very effective treatment for slippery concrete.
- Eliminates slipping in sheds, garages and factories.
- Easy to apply.
- Can be used on interior and exterior concrete surfaces.
- Provides a safer working environment.
- Available in 300g bag.

Dosage / Coverage

Mix 300g of Non-Slip in 20 litres of **Addcrete** concrete sealer for the final coat only. This should cover approximately 100sq meters.

Preparation

The concrete surface should be completely clean and free of all contaminants. Surface should have a minimum of one coat of sealer prior to the final coat containing the Non-Slip granules.

Application

Mix 300g of Non-Slip in 20 litres of **Addcrete** concrete sealer for the final coat only. Mix well during application to ensure a uniform coverage.

Drying

Drying time is approximately 4-6 hours dependant upon temperature and sealer used.

Packaging

Available in 300g bags.

Storage

Should be stored in original un-opened containers.

Precautions

Suitable protective gloves, goggles and clothing should be worn. Any contact with the skin or eyes should be flushed / washed off with running water immediately. Avoid inhaling or swallowing the product.

NOTE: Material safety data sheets for these and all Addcrete products are available on request. Read the MSDS and product label carefully before using.

PRODUCT LIABILITY:

Prestige Concreting Additives P/L will not accept responsibility howsoever it may arise and whether consequential or otherwise in connection with supply or use of these goods other than the responsibility for the merchantable quality of the goods and such responsibilities mandatorily imposed by the applicable Statutes. To the extent allowed by such Statutes, the liability of Prestige Concreting Additives P/L is limited to the cost of the product purchased.
